- * Out of state & absentee bidders can have guns shipped to FFL dealers in their area. Most gun shops will receive these for you and legally transfer them to you for a modest fee. You will need to have them send Kramer Auction Service LLC a signed copy of their FFL with your name, noting it is for your purchases.

FFL LICENSEES - FFL Dealers are welcome to bid & buy, and we expect there will be bargains in this sale that can be good investments for you. You will need a signed copy of your FFL for Kramer Auction Service LLC the transferee for this sale. We are glad to sell C&R eligible guns to C&R FFL's (federally licensed firearms collectors).

7. ABSENTEE BIDS - If you can't attend the auction, you can place an absentee bid online, or may bid live on the phone on certain items.

By placing an absentee bid, you request and authorize us to bid on the lots listed on this form up to the stated bid price. An auction staff member will bid on your behalf, as if you were present and bidding and will try to buy for you at the lowest possible bid. To protect the integrity of the bidding process, it is our policy not to disclose the amount of an absentee bid to other potential bidders.

8. Disputes under this contract - Buyers & Kramer Auction Service agree to mediate any dispute or claim arising between them resulting from the buyer participating in the auction or

any resulting transaction. Any Mediation fees will be borne equally by each party. All mediation, arbitration & court shall be filed and conducted solely within Crawford County, State of Wisconsin and not in any other jurisdiction.

9. Please Keep in mind that just because an item sells for your High Bid amount it does not automatically mean that you won the item. Depending on the when the Proxibid operator is able to place your first bid, that will determine whether your High bid will be used by yourself or another bidder. Example: Your High Bid is \$100 dollars, the proxibid operator is able to start your bid at \$70. The next bidder bids \$80, you bid \$90, next bidder bids \$100. You would lose that bid because of the bid increment schedule on that item. Because all of our bids are placed competitively this does happen on items in each auction.

We assume no responsibility for failure to execute absentee bids for any reason whatsoever.

If you are the successful bidder, your total price will be the gavel price Plus a Buyers Premium, plus any applicable taxes.
